

Welcome to the Unleashing Greatness Pilot Kit

Thank you for starting your 6–8 week literacy pilot. Inside this package you'll find:

- Pilot Program Binder (PDF)
- Pilot Assessment Binder (PDF)
- Growth Report Template (PDF)
- Welcome Letter + Setup Instructions
- Pacing Calendar
- Principals Kick-off Deck
- Optional Companion Pack
- Morphology & Fluency packs

 **Integrate Morphology & Fluency Packs:** Use the *Morphology & Academic Vocabulary Pack* (roots, affixes, Tier 2/3 vocabulary) and the *Fluency Passages + WCPM Tracker* (weekly repeated readings and words-per-minute tracking). These are core routines that build decoding, automaticity, and vocabulary strength — directly aligned with the Science of Reading and NAEP proficiency measures.
