

Welcome to the Unleashing Greatness Pilot Program

Dear Educator,

Thank you for taking the first step into the **Unleashing Greatness Pilot Program** — a 6–8 week literacy journey designed for Grades 4–6. Our goal is simple but urgent: to close reading gaps by pairing literacy with identity, joy, and real data.

This kit gives you everything you need to explore and train for the pilot:

- **Pilot Program Binder (PDF)** — modules, reflections, and key notes.
- **Pilot Assessment Binder (PDF)** — pre, mid, and post assessments with scoring sheets.
- **Growth Report Template (PDF)** — track progress and celebrate growth.
- **Welcome Letter (this document).**
- **14-minute Training Video** — guided by **Jordan Blaze, our AI video trainer**, who walks you step by step through the pilot.

 With these resources, you and your team can experience the program at no cost.

When you are ready to **launch with students**, you'll purchase a class set of **novels, student workbooks, and teacher's guides**. This ensures every learner and teacher has the right tools to succeed. Full details, ISBNs, and pricing are included in the enclosed **Pilot Ordering Guide**.

We believe literacy is more than a skill — it's identity, confidence, and opportunity. We're honored to partner with you on this journey.

With gratitude,

The Unleashing Greatness Team
